A Brief History of Qi is a remarkable book that finally gave me a clear concept of what qi is. Having always thought that qi was synonymous with energy I was amazed to see that it is not just limited to a function of the body but that it permeates everything. It is a lot closer to the Force but in a real way.

A Brief History of Qigong — Qigong Energy Healing ...

Qigong can be roughly divided into four periods. We know little about the first period, which started when the "Yi Jing" (Book of Changes) was introduced, sometime before 1122 B.C., and to have extended until the Han dynasty when Buddhism and its meditation methods were imported from India. This infusion brought Qigong practice and meditation into the second period, the religious Qigong era, which lasted until the Liang dynasty, when it was discovered that Qigong could be used for martial ...
