

Artifacts Cycle I A Magic The Gathering Omnibus Jeff Grubb

By far my favorite book from the Artifacts Cycle. The characters were well written and the world rich in imagery and invention. The Brothers War is a how-it-all-started piece, and while not all the information is given up-front, the twists at the end weave events together adequately. Artifacts Cycle II - MTG Wiki

But anyway, the Artifacts Cycle omnibus is definitely worth it, 1MTexcel. If you want a seriously good story, there are a few truly brilliant Magic books. It's worth checking them out, even if you weren't around for the sets.
