"The Teacher's grammar of English enables English language teachers and teachers-in-training to fully understand and effectively teach English grammar. With comprehensive presentation of form, meaning, and usage, along with practical exercises and advice on teaching difficult structures, it is both a complete grammar course and an essential reference text."--Back cover.

Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition \* A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter

material. \* Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. \* New charts and exercises show patterns to help learners make sense of the information. \* Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. \* Frequent oral exercises encourage students to speak more naturally and fluidly. \* Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. \* A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. \* Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. \* The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. \* End-of-the-chapter Learning Checks help students assess their learning. \* A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. \* Revised MyEnglishLab for a fully blended program.

**This book teaches the most common ESL grammar points in an accessible way through real ESL errors together with suggested teaching techniques. Relevant grammar terminology is explained. The four objectives of this book are to help teachers: (1) identify common ESL grammar points and understand the details associated with each one; (2) improve their ability to answer any grammar question on the spot (when on the "hot seat"); (3) anticipate common ESL errors by grammar point, by first language, and/or by proficiency level; and (4) develop more effective grammar/language learning lessons. These objectives are for all teachers, whether they are teaching grammar directly or indirectly in a variety of classes -- including a grammar class, a writing class, a speaking class, an ESP class, or a K-12 class.**

**Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting differences between spoken and written**

***English Step-by-step writing activities with models for students to follow Innovative warm-up exercises that precede the grammar charts and introduce points to be taught Newly created exercises to give students more incremental grammar practice Structure-based listening exercises that introduce students to relaxed, reduced speech Presents a collection of activities to help foreign students learn English.***

The Advanced Grammar Book, 2/E is intended for the high level ESL student who has a solid foundation in the fundamentals of English grammar. This text provides the student with a sophisticated analysis of the grammatical structures of English and ample opportunity to practice using them, with the objective of increasing the student's competence in both conversational and written English. The text is designed for both pre-university and nonacademic students and includes a variety of exercises to develop oral and written competence, allowing the instructor to select those exercises that best suit the needs of the particular class.

Sir BudiYana, we dedicate this book to you. It mostly contains your ideas and inspiration to your students which hopefully be the lasting memory of our coolest friend and our source of inspiration who has a high taste of humor and has better knowledge and understanding. You have been a constant source of support and encouragement during the moments of challenges and predicament of our faculty. We are truly thankful for having you in our school. You have been the source of our strength throughout the journey of our faculty and it is you who have encouraged us all the way through and whose encouragement has made us sure that we will give it all it takes to finish that which you have started as it is you whose good examples have taught us to work hard for the things that you aspire to achieve.
