Beyond The Rhetorical Presidency Presidential Rhetoric And ...

The rhetorical presidency is a political communication theory that describes the communication and government style of U.S. presidents in the twentieth century. This theory describes the transition from a presidency that directed rhetoric toward the United States Congress and other government bodies, to one that addresses rhetoric, policy and ideas directly to the public. After political scientists introduced this theory in 1981, Jeffrey K. Tulis authored The Rhetorical Presidency in 1987 establ
