A GOOD MORNING AMERICA BOOK CLUB PICK Shortlisted for the 2020 Women's Prize for Fiction "Through a novel with so much depth, beauty, and grace, we, like Ana, are forever changed." –Jacqueline Woodson, Vanity Fair "Gorgeous writing, gorgeous story." –Sandra Cisneros Fifteen-year-old Ana Cancion never dreamed of moving to America, the way the girls she grew up with in the Dominican countryside did. But when Juan Ruiz proposes and promises to take her to New York City, she has to say yes. It doesn't matter that he is twice her age, that there is no love between them. Their marriage is an opportunity for her entire close-knit family to eventually immigrate. So on New Year's Day, 1965, Ana leaves behind everything she knows and becomes Ana Ruiz, a wife confined to a cold six-floor walk-up in Washington Heights. Lonely and miserable, Ana hatches a reckless plan to escape.

*But at the bus terminal, she is stopped by Cesar, Juan's free-spirited younger brother, who convinces her to stay. As the Dominican Republic slides into political turmoil, Juan returns to protect his family's assets, leaving Cesar to take care of Ana. Suddenly, Ana is free to take English lessons at a local church, lie on the beach at Coney Island, see a movie at Radio City Music Hall, go dancing with Cesar, and imagine the possibility of a different kind of life in America. When Juan returns, Ana must decide once again between her heart and her duty to her family. In bright, musical prose that reflects the energy of New York City, Angie Cruz's *Dominicana* is a vital portrait of the immigrant experience and the timeless coming-of-age story of a young woman finding her voice in the world.*

This book tells small-business owners and entrepreneurs everything they need to know about turning their good ideas into profitable businesses in Canada.

The fun and easy way to coach youth hockey – no experience required! Hockey is growing in leaps and bounds around the world, but the demand for qualified coaches far outstrips availability. Moms and dads are being recruited to step in and assume the role of coach even with nothing more than feigned interest for credentials. Coaching Hockey For Dummies is ideally suited to meet these growing needs: its message is clear, the information thorough and user friendly, and it brings along a great attitude. For anyone new to coaching, Coaching Hockey For Dummies will provide an invaluable reference. Unlike other coaching books, which only cover what happens on the ice, Coaching Hockey For Dummies covers every aspect of hockey coaching, from what equipment a coach needs, to holding player-parent meetings, to the perfect drills to develop individual and team skills.

Small business taxes taxing you out? For most business owners, their single biggest “expense” (and headache) is dealing with their taxes. And while the just passed Congressional tax bill reduced taxes for many of the estimated 30 million small business owners in the U.S., the nation 's taxes continue to be complex. Not being up-to-speed on tax rules and strategies can lead to mistakes that cost business owners thousands of dollars

in fines and penalties every year. Small Business Taxes For Dummies assists both current and aspiring small business owners with important tax planning issues, including complete coverage of the tax changes taking effect in 2018, creating an ongoing tax routine, dealing with the IRS, and navigating audits and notices. Includes issues influencing incorporated small businesses, partnerships, and LLCs Offers expanded coverage of other business taxes including payroll and sales taxes Provides websites and other online tax resources Gives guidance to millennials juggling multiple gigs If you ' re a current or aspiring small business owner looking for the most up-to-date tax planning issues, this book keeps you covered. Manage your money with advice from Canadian financial experts! Your one-stop guide to the most important aspects of money management Looking to expand your knowledge of money management? This all-in-one resource is the tool you need. This indispensable desk reference is bursting with sound financial advice from an impressive list of Canadian financial experts. Whether you're looking for information on investing, RRSPs and RRIFs, buying and selling a home, or simply meeting your financial goals this book offers all the right information for making first-class money management decisions. Looking for a safe haven from the dreaded stock market? Why not consider investing in Canadian real estate? In the past five years, house prices in Canada have risen an average of 38% and, in the last year, the price of new homes surged by a whopping 4.1%, the largest annual increase since 1989. In fact, investment advisors are now suggesting that any well-diversified portfolio should contain some type of real estate investment. With all of these facts in mind, we'd like to introduce investors to the new financial wave of the future. *Real Estate Investing For Canadians For Dummies* is your answer to reliable investing for your hard-earned retirement nest egg. From real estate investing cycles to types of properties and investments, this book is full of useful tips, checklists and worksheets designed to help you make your investments happen. Whether you're interested in single-family homes, recreational facilities, or commercial properties, this complete guide will provide you with pros, cons and how-to considerations for every real estate investing strategy.

Everything that is needed to set up a small business sole proprietorship is contained in this valuable reference. State-by-State rules for sole proprietorship are included in the appendix.

Your hands-on introduction to modern business and business education Whether you're deciding on a course of study, headed to university, or settling down to your first year, *Business Studies For Dummies* provides you with a thorough overview of the subjects that form the foundation of a business studies degree. You'll get trusted, easy-to-follow coverage of all the topics you'll encounter: business start-up, accounting and finance, operations, human resources, management, analytics, business environment, and economics. Includes a clear, engaging, and concise overview of the key topics you'll encounter in your studies The perfect study companion for students With *Business Studies For Dummies*, you'll be one step ahead of the competition—at university and on the job.

Whether you're new at the home-buying or selling game in Canada, or whether you've played it before, most of us dread the onslaught of flashy, fast-talking real estate agents and property managers. Well, help has arrived. This revised edition of *Buying and Selling a Home For Canadians For Dummies* prepares you to get what you need and want when buying a new home or selling the one you're in. Everything from arranging your finances and hiring an agent, to researching neighbourhoods and assessing home values is presented in a clear and humorous way to help you get the most out of the process. Important information to help you: Market your home and sell for the highest possible price Negotiate the best price and terms of sale Find the right new neighbourhood with reasonable prices and the type of housing to suit you and your family Decide whether or not to hire an agent and tips on how to choose a good one Select the best mortgage and understand tax considerations Updated in the 2nd Edition: Examining zero percent down payments, lines of credit and other alternatives to conventional mortgages Using the 'Net: New, useful sites – and what to watch out for Buying condominiums: An expanded chapter full of useful information on what you need to know before you buy Selling your home on your own: Expanded online resources and tips Fixing up your home to sell: Tips from the designers on how to make your home as sellable as possible

Boomer women are passing yet another milestone: RETIREMENT! The first wave of women to enter the workforce in significant numbers benefited from the feminist revolution and fought for a place in the world of work. Now these women are leading the rush for the exits. As they retire, they're wondering what was gained, what was lost, and what comes next. They're stepping out into trackless territory. This is the book that will show them that retirement is not the end of a productive life. It can be an exciting gateway into a future that is challenging and rewarding, always provided that we plan for it. Written by two successful professional women, a lawyer and a psychologist, the book explores the practical, personal and psychological issues surrounding retirement. With clear-eyed vigor and enthusiasm they look at what retirement will mean for Canadian women, and offer concrete strategies for gaining control of the retirement process.

This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required

reading for all those interested in the subject . We hope you find this book useful in shaping your future career & Business.
