Cambridge Introductions to Philosophy

Brian Davies has written an excellent introduction to the Philosophy of Religion. He concentrates on theism, the doctrine of God as defined by the three major religions of the world, Judaism, Christianity and Islam. His discussion incorporates all the main issues arising from the subject, the nature and qualities of God, arguments from cosmology, design and ontology, question of omnipotence and omniscience, the problem of evil, miracles, morality and life after death.

An Introduction to the Philosophy of Religion: Amazon.co ...

'The Animal Mind' is an ideal text for introductory classes in the growing field of the philosophy of cognitive ethology. It is also an excellent work of philosophy—one that challenges received wisdom and speculates about future lines of research.

The Animal Mind: An Introduction to the Philosophy of ...

Abstract: This book provides students with a concise introduction to the philosophy of methodology. The book stands apart from existing methodology texts by clarifying in a student-friendly and engaging way distinctions between philosophical positions, paradigms of inquiry, methodology and methods.

An Introduction to the Philosophy of Methodology - SAGE ...

To philosophize is to seek in oneself the courage to ask painful questions. Philosophy is for those who are willing to be disturbed with a creative disturbance. It is for those who continue to nurture that desire for truth and passion for learning. It is for those who still have the capacity to wonder.
