Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay’s The J. B. Petit Girls’ High School, she devoted after-school hours to learning classical dance from the leading lady by Filmalaya Studio’s Sashadhar Mukherjee, she debuted opposite Shammii Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: “A star is born.” Followed a concatenation of silver and golden jubilee hits, which established her as a leading Girl. Possessed of all the requisites of the cinema of the 1960s and the ’70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. She appeared in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other fame is in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes’ Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She has several top TRP-rated TV serials like ‘Kora Kagaz’ and ‘Palash ke Phool’ and programmes like ‘Baaje Paayal’. Currently she has chosen to retire from acting, but adds, “Never say never.” She lives by the famed Juhu shoreline in Mumbai.

The 10 handbooks in this series will provide readers a thorough and non-threatening introduction to the multi-dimensional competencies, concepts, and vocabulary they need to achieve independences—including community resources, job searching, money management, job etiquette, health, moving and more. Used alone or in conjunction with the 21st Century Lifeskills worktexts, these handbooks offer students a unique and visual way to achieve real-world literacy. The handbook is a thorough and non-threatening introduction to: Becoming a Good Driver; Buying a Car; Maintenance and Repair; Driving and the Law. This handbook offers students a unique and visual way to achieve real-world literacy.

A concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Stalin, Mao, Hitler, Mussolini, and other dictators routinely doctored photographs so that the images aligned with their messages. They erased people who were there, added people who were not, and manipulated backgrounds. They knew if they changed the visual record, they could change history. Once, altering images required hours in the darkroom; today, it can be done with a keyboard and mouse. Because photographs are so easily faked, fake photos are everywhere—supermarket tabloids, fashion magazines, political ads, and social media. How can we tell if an image is real or false? In this volume in the MIT Press Essential Knowledge series, Hany Farid offers a concise and accessible guide to techniques for detecting doctored and fake images in photographs and digital media. Farid, an expert in photo forensics, has spent two decades developing techniques for authenticating digital images. These techniques model the entire image-creation process in order to find the digital disruption introduced by manipulation of the image. Each section of the book describes a different technique for analyzing an image, beginning with those requiring minimal technical expertise and advancing to those at intermediate and higher levels. There are techniques for, among other things, reverse image searches, metadata analysis, finding image imperfections introduced by JPEG compression, image cloning, tracing pixel patterns, and detecting images that are computer generated. In each section, Farid describes the techniques, explains when they should be applied, and offers examples of image analysis.

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... “And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone.” Once again, Jessie Burlingame has been talked into submitting to her husband Gerald’s kinky sex games—something that she’s frankly had enough of, and they never held much charm for her to begin with. So much for a “romantic getaway” at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

This is a movie tie-in edition and any reviews posted before October 10, 2019 are from the previous edition of the same title published in 2015. Aisha Chaudhary was born with SCID (severe combined immune deficiency) and underwent a bone-marrow transplant when she was six months old. She lived in New Delhi, where she was born. The year 2014 was brutal for Aisha as her disease progressed, and her lungs started giving up on her. The last few months of the year felt like a roller-coaster ride, one that seemed to be mostly going down.

Spending almost all her time lying in bed, Aisha wrote down her thoughts to get some relief, to get them out of her head. Aisha’s life was not anything like the average life of an urban teenager, but she had experienced a lifetime of emotions; life and death, fear and anger, love and hate, the depths of utter sorrow and the happiest one can be. In My Little Epiphanies she took a hard look at her own feelings and what it was that gave her a sense of hope and control. This book gave her life purpose and meaning, something to hold on to. Sometimes, Aisha’s little epiphanies had morphed into doodles that capture what was going on in her mind as her destiny played itself out. Through the book she wanted the world to understand her unusual life and she hoped that it will inspire others, going through similar hardships, to find peace.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala’s miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls’ education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person’s voice to inspire change in the world.

Counter Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa’ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.-from publisher description at http://catdir.loc.gov/catdir/description/cam022/2001043609.html.

Jo B. Paoletti’s journey through the history of children’s clothing began when she posed the question, "When did we start dressing girls in pink and boys in blue?" To uncover the answer, she looks at advertising, catalogs, dolls, baby books, mommy blogs and discussion forums, and other popular media to examine the surprising shifts in attitudes toward color as a mark of gender in American children’s clothing. She chronicles the decline of the white dress for both boys and girls, the introduction of rompers in the early 20th century, the gendering of pink and blue, the resurgence of unisex fashions, and the origins of today’s highly gender-specific baby and toddler clothing.

Over the last fifteen years, Pakistan has come to be defined exclusively in terms of its struggle with terror. But are ordinary Pakistanis extremists? And what explains how Pakistanis think? Much of the current work on extremism in Pakistan tends to study extremist trends in the country from a detached position—a top-down security perspective, that renders a one-dimensional picture of what is at its heart a complex, richly textured country of 200 million people. In this book, using rigorous analysis of survey data, in-depth interviews in schools and universities in Pakistan, historical narrative reporting, and her own intuitive understanding of the country, Madiha Afzal gives the full picture of Pakistan ’ s relationship with extremism. The author lays out Pakistanis ’ own views on terrorist groups, on jihad, on religious minorities and non-Muslims, on America, and on their place in the world. The views are not radical at first glance, but are riddled with conspiracy theories. Afzal explains how the two pillars that define the Pakistani state—Islam and a paranoia about India—have led to a regressive form of Islamization in Pakistan ’ s narratives, laws, and curricula. These, in turn, have shaped its citizens ’ attitudes. Afzal traces this outlook to Pakistan ’ s unique and tortured birth. She examines the rhetoric and the strategic actions of three actors in Pakistani politics—the military, the civilian governments, and the Islamist parties—and their relationships with militant groups. She shows how regressive Pakistani laws instituted in the 1980s worsened citizen attitudes and led to vigilante and mob violence. The author also explains that the educational regime has become a vital element in shaping citizens ’ thinking. How many years one attends school, whether the school is public, private, or a madrassa, and what curricula is followed all affect Pakistanis ’ attitudes about terrorism and the rest of the world. In the end, Afzal suggests how this beleaguered nation—one with seemingly insurmountable problems in governance and education—can change course.

Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of Only Every Yours women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age.

Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

The major character in the story is Troy O'Neill, an Arizona boy reared by a religious mother of Dutch heritage and an adventurous Irish father. The boy treks northward into the wilds of the mountains and canyons of Utah in search of an ancient Aztec treasure. Amid harrowing experiences and life-and-death struggles, the impossible dream comes true.

One wants his heart. The other wants his soul. Faced with unthinkable changes, Nolan Bishop seeks to come to grips with his new version of mortality. While his relationship with Charity Sheridan was already rocky, he's now facing a whole new set of challenges as they continue to try to find a balance to the love that has just begun to blossom between them. Meanwhile, her twin Eva has violent vengeance on the mind, and the succubus won't settle for anything less than Nolan's ultimate demise. Heading back to New Orleans at the request of the BSI, Nolan will have to face Joel Reichert, the old vampire whose oldest friend is now dead because of him. But is Joel really an enemy? A new, young friend in the Rebel Riders group gives Nolan a much needed reprieve from the stress of his new way of life. While Archie and the Riders don't really know the full extent of Nolan's new problems, he continues to hide the horrific things he has to do in order to stay alive. Will Nolan come out better than he was before Eva tried to take his soul, or will he crack and break under the pressure once he realizes what the succubus has really done to him? **A NEW YORK TIMES BESTSELLER* For Sarah Hepola, alcohol was "the gasoline of all adventure." She spent her evenings at cocktail parties and dark bars where she proudly stayed till last call. Drinking felt like freedom, part of her birthright as a strong, enlightened twenty-first-century woman. But there was a price. She often blacked out, waking up with a blank space where four hours should be. Mornings became detective work on her own life. What did I say last night? How did I meet that guy? She apologized for things she couldn't remember doing, as though she were cleaning up after an evil twin. Publicly, she covered her shame with self-deprecating jokes, and her career flourished, but as the blackouts accumulated, she could no longer avoid a sinking truth. The fuel she thought she needed was draining her spirit instead. A memoir of unblinking honesty and poignant, laugh-out-loud humor, BLACKOUT is the story of a woman stumbling into a new kind of adventure--the sober life she never wanted. Shining a light into her blackouts, she discovers the person she buried, as well as the confidence, intimacy, and creativity she once believed came only from a bottle. Her tale will resonate with anyone who has been forced to reinvent or struggled in the face of necessary change. It's about giving up the thing you cherish most--but getting yourself back in return.*

Shifts in societal development resulting from economic and technological advancements have had an impact upon the development of human sexuality and behaviour, and with the expansion of developments such as the Internet and associated technologies, it is likely that further societal shifts will ensue. This book recognises the importance of new digital spaces for discourses surrounding sexuality, examining issues such as pornography; sex education and health; LGBTQ sexualities; polysexuality or polyamory; abstinence; sexual abuse and violence; erotic online literature; sex therapy; teledildonics; sex and gaming; online dating; celebrity porn; young people and sexual media; and sexting and sextainment, all of which are prominently affected by the use of digital media. With case studies drawn from the US, the UK and Europe, Sex in the Digital Age engages in discussion about the changing acceptance of sex in the 21st century and part played in that by digital media, and considers the future of sex and sexuality in an increasingly digital age. It will therefore appear to scholars across the social sciences with interests in gender and sexuality, new technologies and media and cultural studies.

A Historical Study: Lady Rachael Russell - Scholar's Choice Edition

The Everyday Dancer is a new and honest account of the business of dancing from a writer with first hand experience of the profession. Structured around the daily schedule, The Everyday Dancer goes behind the velvet curtain, the gilt and the glamour to uncover the everyday realities of a career in dance. Starting out with the obligatory daily 'class', the book progresses through the repetition of rehearsals, the excitement of creating new work, the nervous tension of the half hour call, the pressures of performance and the anti-climax of curtain down. Through this vivid portrait of a dancer's every day, Deborah Bull reveals the arc of a dancer's life: from the seven-year-old's very first ballet class, through training, to company life, up through the ranks from corps de ballet to principal and then, not thirty years after it all began, to retirement and the inevitable sense of loss that comes with saying goodbye to your childhood dreams.

Mary Ellen Mark first published her portrait of the prostitutes on Bombay's Falkland Road in 1981. This new edition includes previously unpublished photographs along with a new afterword by Mark. In 1978, Mary Ellen Mark convinced Geo magazine to send her on assignment to Falkland Road. During her three-month stay, she was able to earn the trust and acceptance of its people: prostitutes, madams, children, and customers. For this expanded edition the Marianne Boesky Gallery and the Yancey Richardson Gallery, both in New York City, will mount an exhibition of Cibachrome prints. A special edition of dye-transfer prints will be exhibited at the Fahey/Klein Gallery in Los Angeles.

An Intimate War tells the story of the last thirty-four years of conflict in Helmand Province, Afghanistan as seen through the eyes of the Helmandis. In the West, this period is often defined through different lenses - the Soviet intervention, the civil war, the Taliban, and the post-2001 nation-building era. Yet, as experienced by local inhabitants, the Helmand conflict is a perennial one, involving the same individuals, families and groups, and driven by the same arguments over land, water and power. This book - based on both military and research experience in Helmand and 150 interviews in Pashto - offers a very different view of Helmand from those in the media. It demonstrates how outsiders have most often misunderstood the ongoing struggle in Helmand and how, in doing so, they have exacerbated the conflict, perpetuated it and made it more violent - precisely the opposite of what was intended when their interventions were launched. Mike Martin's oral history of Helmand underscores the absolute imperative of understanding the highly local, personal, and non-ideological nature of internal conflict in much of the 'third' world.

A beloved adventure classic, The Swiss Family Robinson is a tale of courage in the face of the unknown that has endured the test of time.
