difficult points. Problem solving and mathematical modeling are introduced... Free shipping over \$10.

Precalculus : Mathematics for Calculus:... book by James ...

Precalculus. Precalculus 5th edition is a very useful book. It can dramatically improve your math knowledge from Precalculus and review your previous learning from Algebra. This book is used for 115 and 116 math courses in college. I very like this book. It contains a lot of information and great problem practices.
