Summary

*Psychology and
the Challenges
of Life ...*

A major goal of
psychology is
to predict
behavior by
understanding
its causes.

Making
predictions is

difficult in
part because
people vary and
respond
differently in
different
situations.
Individual
differences are
the variations
among people on
physical or
psychological

dimensions.

SUMMARY~~

Mindset - The New
Psychology of
Success by Carol S.
Dweck - Audiobook
Psychology And The
Challenges Of
Psychology of home
working. There are
also clear

Page 131/140

psychological challenges involved in home working, with these likely to be exacerbated during periods of extended isolation. A major goal of psychology is to predict behavior by understanding its causes. Making

Page 132/140

predictions is difficult in part because people vary and respond differently in different situations. Individual differences are the variations among people on physical or psychological dimensions.
