Real-Life Math At Moving Beyond the Page, we believe children learn best when they experience their learning rather than just gathering facts from a book. This is the primary reason we chose Life of Fred Math as our middle / high school math program.

Homeschool Math for Middle and High School Children.

When I speak at a conference on the topic of real-life math, the biggest point I try to get across to teachers is that there is a purpose for math beyond the classroom. This purpose rarely gets taught to students, and students rarely experience it because they are caught up in learning standards and then being assessed on them.
