Rhodesia's War of Independence | History Today

Rhodesians in Second World War As early as 1934, there was concern about the German presence in Tanganyika (which became Tanzania) and the Italians in Ethiopia. A few years later it was resolved by the Imperial Inspector General of Colonial Forces that leaders should be trained in Rhodesia for Rhodesian troops and for certain native reserve battalions in other countries within British-ruled Africa.

History of armed forces domiciled in Rhodesia.

It is the aim of this article to revisit the great suffering that Africans in this country endured due to the coming of the European Second World War to Zimbabwe. One David Johnson helps us relive that very sad story. On September 3 1939 the British declared war on the Germans as the white Second World War broke out.

Colony of Southern Rhodesia - British Empire

When you look at the population figures for Rhodesia, it's obvious that whites were a miniscule fraction of the Rhodesian

population - at one point the population of white Rhodesians was smaller than that of Newcastle - but they still fought, with great effort, for a fifteen years to keep the Rhodesian government in power, even as Portugal's colonial holdings crumbled around them.

What was white Rhodesia's 'endgame' during the Bush War ...

On 11 November 1965, Southern Rhodesia's prime minister, Ian Smith, unilaterally declared his territory's independence from Britain. Not since the United States in 1776 had a British colony declared itself independent, and the Rhodesian declaration was not dissimilar in language and syntax to its American forerunner. That afternoon Smith addressed the nation. He assured them [...]
