Political Economy and the Liberal-Democratic State (PO242) Liberal-democracy is often seen as an ideal institutional form of government. This module scrutinises the ideal by considering the relationship

between liberalism and democracy as it has been understood by various theorists.

Political Economy and the Liberal-Democratic State (PO242)

The Democratic Party also favors expanding conservation lands, and it encourages open space and rail travel to relieve highway and airport congestion and improve air quality and economy; it "believe[s] that communities, environmental interests, and government should work together to protect resources while ensuring the vitality of local

economies.
