Kubba Paperback \$40.56.

***Understanding Construction
Drawings: Huth, Mark W ...***

This enhanced edition takes a detailed approach to reading construction drawings by providing thorough coverage that builds the foundation for a broad understanding of the entire construction process, - beginning with a simple duplex home that focuses readers on the fundamentals of views, lines, basic dimensioning, and symbols.

***Understanding Construction
Drawings: Huth, Mark W ...***

The book is designed from start to finish for real-world relevance, with topics organized based on actual construction processes,

Page 6/49

realistic construction drawings integrated into chapter content, hundreds of practical questions and activities, and full-size residential and commercial construction prints.

Understanding Construction Drawings, 6th Edition: Huth ... In addition to UNDERSTANDING CONSTRUCTION DRAWINGS and BASIC PRINCIPLES FOR CONSTRUCTION, he is the author of several other respected texts on construction principles, technology, and mathematics. Mr. Huth has also taught high school building construction and worked as a professional carpenter and subcontractor.
